A Hale and Hearty Hello

I'll start by offering everyone a Happy and Healthy New Year.

Some really good news to share. Fallen Grace and Mosebee snuck out and got married last week. They are now on a let's see Nevada honeymoon. They plan on spending most of their time on our side of the California and Nevada border. Wishing them many years of happiness and good health. I guess Mosebee now gets half the profits form the Bordello!

Attendance at our monthly shoots remains low. We've averaged around 12 shooters. Based on guessing we think it's a combination of the weather, COVID, ammo and reloading supply shortages.

You may have seen Jasper's E mail about the "open category" for shooting. If your low on ammo we now offer a 22 caliber pistol and rifle category. Single shot pistols, and pump or lever action rifles. Any make or model are welcome. As usual all ammo must be lead.

Jasper sent out an E mail and we clarified the clubs policy on COVID at the shoot yesterday. It remains the same as always. Each person needs to choose how they protect themselves from contracting COVID. Respect social distancing.

We have set the dates for our annual matches, September 5 - 7 will be the Nevada State Wild Bunch Championship. September 9 – 11 will be the 25<sup>th</sup> annual ROOP County Days. In order for this wot work we need club members to sign up to help. Jasper and I are coordinating the work assignments.

We sent out a note letting everyone know that Wylie Fox and JJ have resigned from the Board. We thank them for the many years of hard work and for making the club better. For now, Jasper, Georgia Blue and myself will pick up their duties. We would like to see someone volunteer for the Board position of Secretary and Treasurer. Of course, if a name comes up we will ask the membership to approve the person volunteering. And anyone can nominate someone for the positions.

Treasurer – deposits monthly revenue, maintains a revenue and expense statement for the club, makes sure the bills are getting paid. Collects receipts and reimburses members who have purchased items for the club. Maintains the bank account.

Secretary – Helps collect the agenda items for the Board meetings. Takes notes and issues meeting minutes. Completes the annual Incorporation paperwork for our corporation with the State of Nevada. Publishes the monthly newsletter.

Thats about all for now. Let's hope things smooth out over the next few months and we concentrate on having fun and enjoying each others company.

I hope everyone had a Merry Christmas and a great New Year's party. Only joking... I know there aren't many parties in these times. But at least we have 2020 in the rear view mirror and we can be "cautiously optimistic" about 2021. We had a good match on 3 January. Great weather for the winter season. Fanner Fifty won the match and we had one clean shooter – some guy named Georgia Blue.

Look forward to seeing everybody on the 7<sup>th</sup> of February. Be careful, be safe and get in line for those free vaccinations!

Howdy all,

It seems there is a lot going on for the New Year. We've had some changes on the board, we're moving along with the 25<sup>th</sup> annual ROOP County Days, we once again have Wild Bunch scheduled on the calendar and we've expanded long range and it's just the first month of the year! We need all you stage writers to step up and volunteer. We still have lots of open dates for the year left to fill. Please get a hold of me so we can finish up the 2021 stage writer's schedule. I'm asking our new editor to post the stage writers schedule at the end of his newsletter so you can check the available dates.

We had 11 hearty souls come out to shoot some fast and fun stages written by our very own Jackpot Jerry. We had two new shooters join us and I spoke to Steve the following day and they had a ball!!! They still need to gather a lot of gear and find some cowboy hats, but I think they are going to be real good new blood for the club. Welcome Steve and Matthew, I did tell them that they had better come up with some alias' or we will, and nobody wants that!!!

We have no new news to share with you about the status of the property although all indicators are pointing in a positive direction. We've been asked for a copy of the lease we furnished to them last year about this time and there are a couple of other things that make me think that the sale to Sam is eminent.

I want to thank JJ and Wylie Fox esquire for all they've done for us and wish them well on any new endeavors they pursue. We will be courting some folks to join us on the board to fill in the spots that are now vacant.

ROOP County Days is on our radar now and we have a few key spots to fill on our assignment sheet. This is your club, and we all need to step up to make this thing happen. Ike and I are going to be your co-match directors. Georgia Blue has volunteered to take care of the grounds maintenance and he will be asking some of you for some help for this overwhelming job. Imus Often and Patience Myazz will be running side matches and will need lots of help. 49er Preacher will be running long range and need some help there as well. We need someone to take the task of awards and off-site printing. This is our 25<sup>th</sup> annual match and we hope to make it a great one!!!!

Reno Slim and JJ have graciously volunteered to host some Wild Bunch matches for the up coming year. Their first match will be match March 6<sup>th</sup>, more details to follow.

We have a long-range match scheduled for every second Saturday, the day before the monthly ROOP cowboy shoot. We'll decide what were going to shoot each month with your input. We shot 22 BPCR in January so let's shoot a BPCR gong match in February or get a hold of Ike, 49er Preacher or myself and make your desires known.

The SASS wire started a new thread called Trail Markers. I thought that was pretty cool, so I added my brother to it. If you never got the chance to meet Slim Eagle take a minute and check it out. You can find it at: <https://forums.sassnet.com/index.php?/topic/310807-trail-markers/>

In the future I'll try to add some of the other friends and family we've lost.

Be safe and shoot straight my friends and we'll see you on the range,  
Jasper

Capt. West has stepped up to be our stage writer for the February 7th HPD monthly cowboy match, but still need someone to write the stages for the February 14th ROOP monthly cowboy match. We also need stage writers for both matches in March. I'll miss the March matches, as I will be shooting long range down in Phoenix for 14 days straight!!!

Be safe and shoot straight my friends and we'll see you on the range,  
Jasper
