

Battle Born Rangers Company

High Plains Drifters and ROOP County Cowboys

A Hale and Hearty Hello

It's officially fall. That means we can stop complaining about the summer weather and start complaining about the winter weather.

With fall we have a few members heading south for the winter. And we have club members heading for the last of the annual shoots. You can see some our members shooting at End of Track this last weekend on the Battle Born Facebook site.

As a result, attendance at our monthly shoots continues to be down. We had 13 shooters for High Plains Drifters. ROOP County had 17 shooters. Neither one was big enough for 2 possies. The weather was perfect so 6 stages were shot for each shoot.

There has been a lot of discussion on the SASS website concerning attendance to monthly shoots. The key factors everyone brings up are COVID, loading components and ammunition aren't available. One common thread was attendance and new members has declined over the last 5 or 6 years. We're not the only club going through this.

Jasper keeps asking for members to write stages. The calendar doesn't have many people signed up right now. It really doesn't take much to write 6 stages on 3 bays.

Our 60% Board, 3 of the 5 seats filled, has discussed holding elections this January. We have also discussed adding two seats for a total of 7 seats on the Board. They would be President, Secretary, Treasurer, High Plains Drifters, ROOP County Cowboys, Long Range, and Wild Bunch. We will be asking for nominations at the November and December shoots. Elections will be held in January.

That's about it for now.
