High Plains Drifters and ROOP County Cowboys

A Hale and Hearty Hello

The weather for February was very spring like. Both shoots had sunny skies and warm weather.

We had 17 and then 14 shooters for the two weekends. Attendance is still down but improving. I was offering up some potential reasons

when a wise man said something brilliant. Captain West said, 'we're getting old'!

Nothing new to offer up on the lease and or contact with the ownership. Jasper has spoken with Tyler the current on site manager a few times. He is trying to reach out for us to the owner. But the owner has been sick or on vacation.

A quick discussion with those at the shoot about filling spots on the Board and elections. It was decided to hold formal elections^A in May. May is the end of our year and membership dues will start being collected. We need a Secretary and leader for ROOP. We have Georgia Blue for HPD. Jasper for Long Range, Flannigan for Wild Bunch, Brazos for Treasurer, Ike for President.

That's all for now.

We had a great match on Sunday, February the 6th. The weather was cool, sunny and quite pleasant for a mid-winter day. 17 great shooters participated and Fanner Fifty won! He was also the only clean shooter. Maybe there's something to the "smooth is fast" theory. JJ and Captain West came in second and third respectively. A big shout out to those who pitched in to help with set-up and take-down. We set-up three stages in about 15 minutes and take down was even quicker. Hooah! We look forward to seeing everyone again on the 6th of March.

Howdy all,

Last week we were told by a shooter who traveled to another match that SASS had changed SASS default to where you can hover over your guns, ammo and what not as long as you don't physically touch them. This didn't sound right to me. In the past all the rule changes came at or after EOT and I wasn't able to find any info on this until I read Tully's last email. Well you guessed it the change affects wild bunch and not our cowboy shooting match. To be sure I contacted Pale Wolf and he confirmed what I had thought. This has nothing to do with cowboy shooting, so we will be continuing with SASS default as hands hanging loosely at your side.

We had a pretty good practice on Saturday. Lots of different rifles including three front stuffers the set up and break down were all we could ask for thanks to a wonderful group of shooters!!! Sunday brought a BIG set up day with Jackpot Jerry's tribute to EOT and Winter Range. We only had 14 shooters but most stepped up to help. We had a number of clean shooters so the stages were written just right!! Thanks to Jackpot Jerry for a great day!!

In March we will have a 22BPCRA match on the second Saturday, March 12th and Jackpot Jerry has written the stages for both HPD, March 6th and ROOPS March 13th cowboy matches and they are both Big Bore optional.

We have a number of shooters heading to AZ to participate at this year EOT. Some of us will be heading down to the Ben Avery to shoot a Creedmoor match at the end of March. Good luck to a the competitors in their up coming matches!!

Hope to see you on the range,
Jasper

Flanigan Flats has put together our first Wild Bunch match of the year. It will be Saturday, March 5th. Start time will be 9:00 am.
