Howdy all,

This is going to be the shortest newsletter in BBR history, but a couple of us felt that it was important to get at least some of the news about the club to our faithful readers!!

We finished up our NEW annual match and the view from my saddle says it was a rousing success!! Thanks to all you lent a hand to lighten the load for the few that gave so much to make the match what it was. I'm not going to go into detail about the match. I'm sure once our leaders have a chance to rest up the details will be written about. I will say the except for some hellacious winds the weather gods were pretty kind to us!!

We were very happy that Never Miss Mitch could join us for our annual and it was a delight to meet his family. We were so glad you all could join us for the Saturday dinner and awards banquet!! A special thanks to those who donated to this fine young man's benefit. You have a special place in my heart for your kind act!!!!

We canceled the matches for the HPD weekend in July but we are going to have a long range match this up coming July 8<sup>th</sup>. I spoke with 49er Preacher and we decided to have a 22 BPCRA match. All 22 long rifles are welcome and it's a 40 round match plus sight ins before the match and sighters during the match. I bring 100 rounds and I'll go home with ½ a box on normal matches. We'll be sending out a reminder with more details later in the week. We don't have any stages posted on our website so I'm sure we'll figure out something.

We'll see you on the range,

Jasper

## From Our Wild Bunch Coordinator- Flanigan Flats

**Howdy all,**

I hope everyone had a great and rewarding 4<sup>th</sup> of July weekend. The temperature has certainly risen since the start of Roop County Days (RCD). It may have been windy or cool a couple of the days but it was not 90 plus degrees, or a 100 plus like last September.

The June Wild Bunch (WB) match was a 2-day 10 stage match. Going with the RCD theme of big bore offerings, the Teddy Roosevelt (TR) and Doughboy (DB) categories were offered. We had a total of 21 shooters across two posses, lead by two great Posse Marshals Jeremiah Johnson (JJ) and Cordite.

Many thanks to you both for all of your tireless work. Two shooters, including myself shot in the TR category and two shot in the DB category. Hopefully we had enough fun that more shooters will join us in these exciting and challenging categories in the next year. Two Timer shooting Wild Bunch Modern was the top shooter followed by Fanner Fifty shooting Wild Bunch Modern Senior. The most notable achievement in the match in my opinion was Make Your Mark who finished 4<sup>th</sup> overall with a CLEAN MATCH!!!! Wow!!! Way to go Mark, that is truly impressive since the average number of misses for the other 20 shooters was 18!! All in all it was a great match and I look forward to doing it again next year.

None of the above would be possible without the help, support, and dedication of my wonderful wife Gold Rush Allie. She was everywhere and helping with all things, but especially deserves a medal for making me stop to eat and hydrate, both things I neglect to do often. Wild Bill Berry and his wife Adel were also great helps before, after and during the match. Also this year was very special because our daughter Tsunami Sue (Kiersten) was able to join us for the entire time we were at the range and was an enthusiastic and tireless help where ever she was needed whether that was under the pavilion or on the range keeping score. Her husband Ethan (we are still searching for the right cowboy name for him, I like either Penguin or Mr. Clean Shooter) joined us each weekend and was a great help picking up brass and moving heavy things.

Thank you to everyone who attended the match and made it the great success it was.
