### A Hale and Hearty Hello

Well we held two matches in July which is now our new normal.

Fernleystock was a big success. We had 11 campers, long range shooting for 3 days, Wild Bunch Match and our regular Cowboy Match.

Jasper and Fallon Kid cooked up some main course food for our potluck on Saturday night. As usual we had a fine assortment of dishes provided by our members. Good stuff.

Each night there was a gathering of folk around the campfire bragging about how thin, good looking and athletic we were when we were young!

Grace put together a round of "Whore Shoes Toss" for people to try and win a "nice" prize. The result was 49'r Preacher tied with my daughter's boyfriend. I stood in for the playoffs. Preacher held his expertise together tossing really large, garish, women's high heels into a bucket. He won a knife set and a \$25 gift card. The biggest win for the weekend.

Nevada Star put together a few awards for Wild Bunch, Cowboy and Long Range. She may have set the bar high for future awards.

According to our banker JJ we may have actually put some money in the bank.

Jasper and Preacher are holding long range matches each month. They are on the calendar. Each month will have a different type of match to shoot. \$5.00 for the match and everyone who shows up must help or stay home.

The Board met to discuss are we really having ROOP County Days. The reality of the situation is we are having difficulty getting club members to volunteer to help. What we decided is to hold an unofficial RCD using the same format we used for Fernleystock. A notice was sent out last week describing the event, fees, and what we'll be doing. **And yes, we still need volunteers.**

I didn't attend the July 12<sup>th</sup> match. I went to Zion National Park to attend a family campout and funfest. We endured 105 degree heat each day. But if you've never been to Zion it's one of the most beautiful parks in our nation.

**That's all for now

**Howdy all,**

Our 4 of July extravaganza was a blast!!! If you didn't make it out you missed one heck of a weekend!! We shot long range until even Deadeye Dick and Tumbleweed Ed were tired of it. We had a couple of friends come up from Las Vegas to join in on the fun and a face I haven't seen on our range in a number of year. Mosebee came up and cleaned our clocks at one of the long-range matches. He was the only shooter to hit the 22lr bonus target. In fact he hit it with both his sighters as well. Every time I loan out my guns I get beat with them!! While shooting 22 BPCRA Deadeye Dick shot an unprecedented 4 chickens off hand!!!! We had 11 people shoot Wild Bunch on Saturday and 24 shooters come out to see what the birthday boy had in store for us. Congrats to Rubicon and the return of Fallen Grace for shooting clean matches!! It was wonderful to have Grace back on the range shooting with us and thanks for all that you do for us!!! Thanks to all that came out to make a very memorable weekend!!

Our very own Nevada Star wrote the stages for our July Roop match and they were a blast!! There were a couple of stages you had to use that little bump on the front of your pistols. We only had 2 ½ clean shooters for the day. Our new friend Green Valley Cowboy and Nevada Star both shot clean and I missed the first stage but shot the remaining 5 clean so our good hearted Secretary gave me a clean match "sort of". It was truly a great day with a great posse to shoot with!!!

I went to the Gulch to shoot with the Silver State Shootist and had a ball. Jackpot Jerry had some fun and a little challenging stages. Those guys are doing a bang up job. Thanks to the Silver State Shootist board for putting on a great match!!!! I got to meet a new shooter going by the handle of Rip or as we called him for the day Mike. He's El Dorado's nephew and one heck of a nice guy!! I was given the privilege of mentoring him through his first match and he got better with each stage. The biggest thing I needed to remind him of was to breathe after the timer went off. He was a pleasure to be around!! Green Valley Cowboy was also at this match and it was wonderful to have a couple of younger, fit guys to lend a hand!!

Roop County Days are almost upon us and Wylie asked me to remind you to email him with your sign up info. Wylie Fox Esquire - [ed89509@gmail.com](mailto:ed89509@gmail.com)

***We will need your help to pull off this match. It's your club and we need all to step up and lend a hand!!***

We are asking all of you to bring your own water to all the matches from now on. We are sending far too much waste to the landfill and want to reduce our footprint on the environment and save a little money at the same time.

I won't be at the HPD August monthly match that our very own Irish Ike is writing the stages for. BeeBad is turning 65 and has plans for me. Be sure to wish our exultant leader a happy 70<sup>th</sup> birthday as he and my dear wife share the same birthday!

*That's all for now, stay cool and I'll see you on the range,  
Jasper*

**Howdy All,**

I hope you-all had a fun time at our Fernleystock gathering for the 4<sup>th</sup> of July. I know that I had a bunch of fun.

I resurrected the Whore Shoe Toss for some good ole fashioned fun. Some of you remembered it, but it was new to quite a few as well. We had 22 brave souls willing to participate.

It was a tie for 1<sup>st</sup> Place with 4 shoes between 49'er Preacher and Mike Ike. Mike Ike had to leave before Saturday . . . our fearless leader, Irish Ike threw shoes on his behalf. It was a tie with 2 shoes each! The solution was a 'sudden death' toss-off. Each of the constantans threw the same devious black sandal. 49'er Preacher emerged victorious and was the proud recipient of a nice set of steak knives and a gift card. I do want to make mention of the fact that Rubicon's lovely wife, Sandy, managed to have the only throw that was a 2-pointer.

Thank you all for playing and I hope to see you at the 24<sup>th</sup> Annual Roop County Days for a different game of chance that involves absolutely no skill what-so-ever!!

*Then  
Grace*

## Howdy Again –

Just wanted to give you an update on our 2<sup>nd</sup> Annual Middlegate Burger Run.

A small group of us met at the Fox Peak Gas Station in Fallon on Tuesday morning, June 9<sup>th</sup>. The weather couldn't have been any nice for us.

Middlegate was doing a pretty good business and even had another group of bikes pull in while we were there. The food was good and the camaraderie was even better. All – in-all, we had 5 bikes and 2 vehicles. This was an improvement over last year. We'll aim for even more participation next year.

Thank you to all who participated. Especially Mosbee, who left his home very early in the morning to arrive in Fallon in time for the Burger Run.

If any of you have an idea for an outing or adventure, please let me know.

*Till next time  
Fallen Grace*
