Spotters during the match can call minute changes for all the shooters. It's up to the individual shooter to use the information given to them by the spotters or not. Use of a spotting or coaching board is allowed by the spotter to share with all the shooters.

## Aggregate-

We will have an award for the top shooter who shoots all the offered long range categories with the highest aggregate score. That will be one Single Shot tang sight or scoped single shot, one Rifle Caliber Repeater, one Pistol Caliber Repeater and one Military. You can mix BP and Smokeless between the guns. If you shoot BP & Smokeless in all or some categories we will pick your highest score between them for the aggregate. **Buffalo will NOT be used in the aggregate.**
