The Battle Born Rangers

Offers a big *'Thank You'* for coming to our 2022 ROOP County
Days

We are working hard to put on the best match ever and are committed to making
this a fun, friendly shoot.

Some Important Information concerning Range Gates & Wildlife, Pets & Generators

**Please leave the front gate the way you found it. If its open you can
leave it open. If it's closed please close it. If its dummy locked please
do so as well.**

During the evenings management requires us to keep the front
gate locked at all times.

After hours there will be a phone number with Instructions posted at the
gate for entry.

We will also have a combination padlock locking the main gate in the
evening.

The combination is 1969

If you go through the gate after it is locked PLEASE remember to close and lock it after your entry or departure even if it's a quick trip to the store.

Our lease depends on us minding the gate and keeping It locked when Race Track Management is not Present

Pets must be kept on leashes at ALL times and are NOT allowed on the Firing Range Or In the Pavilion during meals

Please respect the wildlife at the range.

Generators: Lower Parking Lot: 6:00am - 10:00pm Upper Parking Lot: Unrestricted

The entire Battle Born Rangers club wants to ***THANK YOU*** for choosing to Participate in our match with so many other matches out there to choose from we are honored that you chose to join us.
