RO2 course requirements:

- " Must be a SASS Member
- " Must have completed the RO1 course

" Must have competed in Cowboy Action Shooting for a minimum period of 6 months

So here's the thing. We don't have very many members who are RO 1&2 certified. We struggle at our monthly shoots to assign TO's that are.

And for our annual shoots we have been depending on our guests to help by being TO's. Please sign up.

We'd like to know how many are going to attend in advance so we can get the food etc. organized.
Please call or E mail Irish Ike ASAP
