

SILVER STATE SHOOTIST

In cooperation with
ROOP COUNTY DAYS
Presents

4th Annual Shootout at the Gulch

June 17, 2023

The Gulch at Gold Hill
Virginia City, NV

Greetings Cowgirls and Cowboys:

Thanks for taking the time to consider joining us for the 4th Annual Shootout at the Gulch in historic Virginia City, Nevada. In cooperation with our sister club, the Battle Born Rangers, we have designed this year's shootout to be a six-stage warm-up match for Roop County Days which starts the next day. Shooter's meeting at 08:00, 17 June. Please see the map on our website, northernnevadacas.com, for directions. This is a one-day warm-up match of six stages. There will be category winners, but **no category awards**. The shooter's fee, however, will include a very nice participation memento for each registered shooter.

It is difficult to imagine a more appropriate location for a cowboy shooting match than Virginia City, Nevada. One of the of most historic and best preserved of the wild west towns. Remember Bonanza? This was the go-to town for everything the Cartwrights needed. You could easily spend a long weekend simply enjoying all the sights that Virginia City has to offer – both day and night. In addition to the history, great food and entertainment provided in VC, there are other worthwhile destinations in the area. In less than an hour's drive you can visit Carson City, Lake Tahoe and Reno.

With that said, we have planned an after-match lunch at the historic Bucket of Blood Saloon that has served Virginia City since 1876. We have reserved the saloon's outdoor patio for a catered lunch. Drinks of all types will be available at the bar and there will be one of the best cowboy bands in the country, David John and the Comstock Cowboys, providing music. We are working on a parking arrangement for the lunch social. This will be announced at the match. **This is a lunch well worth the cost – don't miss it.**

There are several hotels and an RV park in Virginia City. The Silver State Shootists strongly recommend the Silverland Hotel 775-847-7500. Be sure to ask for our club discount. Dry RV camping is available at Silverland for \$40 per night.

We have a limit of 36 shooters at this one-of-a-kind match. Please pre-register as there is no assurance you can sign up on the day of the match. Get your completed application in the mail ASAP. You may call Make Your Mark at 775-710-1518 for more information. The Silver State Shootists look forward to welcoming you to the match.
