START MEETING

BOARD ELECTIONS

Jackpot Jerry nominated Dirk to continue as President and he was reelected unanimously

Lee stepping down as treasurer due to work and school. Asked Rusty Ranger to take position. Discussion of mechanics and duties. Tracy agreed to do it. Lee will be at the next couple of matches to help transition. Rusty Ranger was elected treasurer.

Nevada Starr was nominated and elected to the position of Director at Large to replace Rusty Ranger who is taking over the duties of treasurer. She will assist Tracy with the match signups and cash box.

El Dorado was nominated for the open position of Sargent at Arms. He was unanimously elected to that position.

Minnesota Buckshot, Georgia Blue, and Jackpot Jerry re-elected to their current positions.

Your Board for 2021-2022 with the two vacant positions filled by two great candidates:

- Diamond Dirk Slade President
- Georgia Blue Vice President
- Rusty Ranger Treasurer
- Jackpot Jerry Secretary
- El Dorado Sargent at Arms
- Minnesota Buckshot Director at large
- Nevada Starr Director at large

We discussed the possibility of changing bylaws to rotate VP to President on a bi-annual basis.

TREASURERS REPORT:

Lee provided the Treasurers report. The club has some \$6,300 in the bank but there are a number of expenses coming due prior to the end of the year. The trailers must be re-registered even though they are seldom on the road. Club Insurance, paying for the 29 badges, NRA Membership, and SASS membership are all coming up prior to year-end.

With a new Treasure the bank account must be modified. Wells Fargo has been difficult to work with but Dirk will get in touch with Doc Holliday and he and Rusty Ranger will get the signature cards set up properly.

RANGE STATUS

We discussed the pros and cons of trying to get back on the Carson City Gun Range? It is our understanding that they still have the same restrictions of time and number of bays that make it impossible for us to hold our current six stage match there. In addition, the trailers would need to be hauled to the match each time. We have been shooting in the Gulch for over two years now and although we don't have berms and out niceties, it has been working okay for us. The biggest complaint about the current location is the rocks and footing in the cart area. We raked the area where we put down the boardwalks and extending that raking or using a drag to improve the cart area was discussed.

The steel trailer needs to be cleaned up and repaired. Back wood is broken and lights may need work. The steel needs to be organized rather than just thrown in. Half rounds BBR donated for shotgun targets need to go back to Fernley. We will have a steel – range work party on Saturday 25th at 9 AM. GEORGIA Blue, El Dorado, and Jackpot Jerry will organize.

OTHER PROJECTS

Events like 4th of July, Dayton parade, or V&T holdups were discussed.

The badges cost and timing was discussed. The 29 badges are on order and should soon be here. Jackpot Jerry will get pricing and information on small orders or periodic orders of additional badges.

Christmas party? Still up in the air. Postpone decision until October board meeting.

Meetings should be at least quarterly. Next meeting the 2nd of October at 10am ZOOM.

Wylie Fox has applied to be a RO trainer. He would like to do classes for SSS. Everyone should take just for safety.
