December – 2017

Next Shoot January 21st - Shooters' meeting at 9:30 a.m.

*SSS CHRISTMAS SHOOT, DECEMBER 2017*

From our President;

## Greetings to all !

Happy new year to all. I hope your holidays were healthy and happy.

2017 was a good year for the club, we had between 15 and 20 shooters at most of our matches. I think that is pretty darn good for a small club such as we are. With about 32 active members that's pulling close to 50 percent which is good numbers in anyone's book. We also had some shooters from other clubs visit occasionally, hope you had a good time and will visit again.

And so on to my list of thank you's

I had a number of health issues in 2017 which made it hard for me to get out to the shoots and I thank Daisey as Vice President very much for standing in for me. Of course you have Doc Holliday taking care of the money and making sure that you all get signed in. Smithy gets the stages in order and sets up and runs the

matches. Our two assistant match directors, Eldorado and Sagebrush Sam were back with us last year. It was good to have you guys back, we missed you. Then you have Jackpot Jerry who is the secretary, keeps minutes at the meetings, sets up the scoring and updates the web site among other things. Minnesota Buckshot as a board will do anything asked of him. And so, these are the principal people behind it all. They give their time willingly to keep the club running so if you happen to think of it, give them a thank you once in awhile. They would appreciate it. I thank you all very much for your service.

Last but far from least thanks to all who come out early to help set up. Your help is much appreciated and helps take some of the load off of the match directors. Thank you.

Our next club meeting will be on Tuesday Feb 13 at 7pm at the fire hall on Stewart St Carson City. We will be discussing Smithy's Revenge along with some other things so if you can make it I would love to see you there.

If you haven't already look at the website. Jerry has redone the whole thing and I for one like very much. If you have any suggestion etc. please pass them on to Jerry, he would like to hear from you.

That's all for now, hope to see you on the 21<sup>st</sup>
