July – 2018

Next Shoot August 19th - Shooters' meeting at 9:30 a.m.

From our President;

Greetings to all !

The first order of business has to be to congratulate all 26 shooters who braved the heat to attend the July shoot. Smithy and I had talked about it beforehand and agreed that 4 stages was the way to go and then take a vote. Which is what went down. I think that was good thinkin everybody's part. Also, congratulations are in order to the five clean shooters for the day. I don't remember that many clean on a match before. Well done to all.

On Tuesday August 14 at 7 pm the club will hold it's annual meeting. This is probably the most important meeting we have this year. We will be installing the board members for the coming year including the Match Director and his assistants. These are the people who do the behind the scenes work to keep this club going, and believe me when I tell you that there is a lot of work done that is not known by the general membership.

So, this will be the agenda for the meeting.

First, install the officers

Set the meeting schedule for the coming year, how many do we want or need and what needs to be discussed.

Discuss equipment needs. General conditions or replacement if needed.

Christmas party Dec. 1 2018. Doc informs me that he had made the reservation at the Eagles in North Carson City. We will discuss the issue of gift exchange among members and cost of the dinner. As you know the club foots half or over of the cost in appreciation for your continuing support of the club.

Planning for the coming year, Turkey shoot, Smithy's Revenge etc.

Carson City range rules. This is for information purposes. There are some things that are on the need to know basis by everyone. The new range rules will be included in the information on the club at our website by request of the Carson City Rifle and Pistol Club who administers the range.

So, as you can see this meeting is very important and I hope that as many of you that can will attend. The meeting is at 7pm at the fire station on Stewart St. Carson City.

The Northern Nevada Club picnic is August 18<sup>th</sup> at Mills Park in Carson City. It will be held at the east pavilions. BBR is suppling good BBQ entries and everybody should bring a side dish or desert. All shooters and their families are invided.

That's all for now, stay safe and cool from the heat.

Fair winds and following seas
