

# The Bullet Hole

January 2020 Snowed Out

Next Match February 16, 2020 - Shooters' meeting at 9:30 a.m.

**SILVER STATE SHOOTISTS FEBRUARY MATCH IN GOLD HILL !!!**  
**OUR JANUARY MATCH**

## From the Board;

The December and January Grinch Matches were snowed out. The Grinch won this winter. Maybe we can get even with him in December 2020.

The Carson City range is closed for a number of months for renovation but when Jackpot Jerry checked our Gulch on Sunday, he also looked at the Carson Range area. We would have been snowed out even if we were still at that range. The Carson Range renovations will take until March or April according to the latest news. After that we do not know if they will honor our reservations and it has been said that if they do it would be limited and that there would now be a fee per shooter. All of this is hearsay and speculation at the moment. There is a possibility of returning to Carson City but it seems less than desirable.

After shooting in the Gulch and being close to Virginia City most of the members I have spoken with would prefer to stay in this area as long as we can. To that end, a number of the board members have met with the 601's and others in Virginia City and Storey County to get a permanent, sanctioned range in the Comstock. We have a lot of local support for our club to be part of that project. Doc and Jackpot Jerry are currently working closely with the VC groups on this project.

Georgia Blue, Jasper Agate, and Jackpot Jerry walked a number of potential locations and Jackpot Jerry put together a report for the 601 group outlining the possibilities.

## Winter Range warmup match

Jackpot Jerry modified the 2018 National Championship match (Winter Range) into a two weekend 12 stage match for the first two Sunday's in Fernley. It will give you 80% of what the real Winter Range stages feel like.

It is a good match for anybody that has not been to Winter Range but would like to know what the shoot is like. For those going to Winter Range, it is a good 12 stage warm up match.

The first 6 stages will be shot at the HPD monthly match on February 2nd and the second 6 stages will be shot the following weekend.

Scores for the February 2th shoot will consist of the normal 6 stages. The scores for the February 9th shoot will be for both the six stages shot on the 9th and the combined two weekends 12 stage match. Shooters can compare their ending 12 stage times with actual 2018 Winter Range times since the place times for various positions (50th, 100th, 200th, 300th, Jackpot Jerry, Fanner Fifty) will be included in the final times.

The stages are posted on the [www.NorthernNevadaCAS.com](http://www.NorthernNevadaCAS.com) web on the BBR Scores page as well as on the "STAGES" page.

We have done this a few times in the past and it has really been fun. We will be using knockdown plates, tombstone targets, and just about everything else we have. It takes a lot of work to set up all six bays with one stage each so please come out and help.

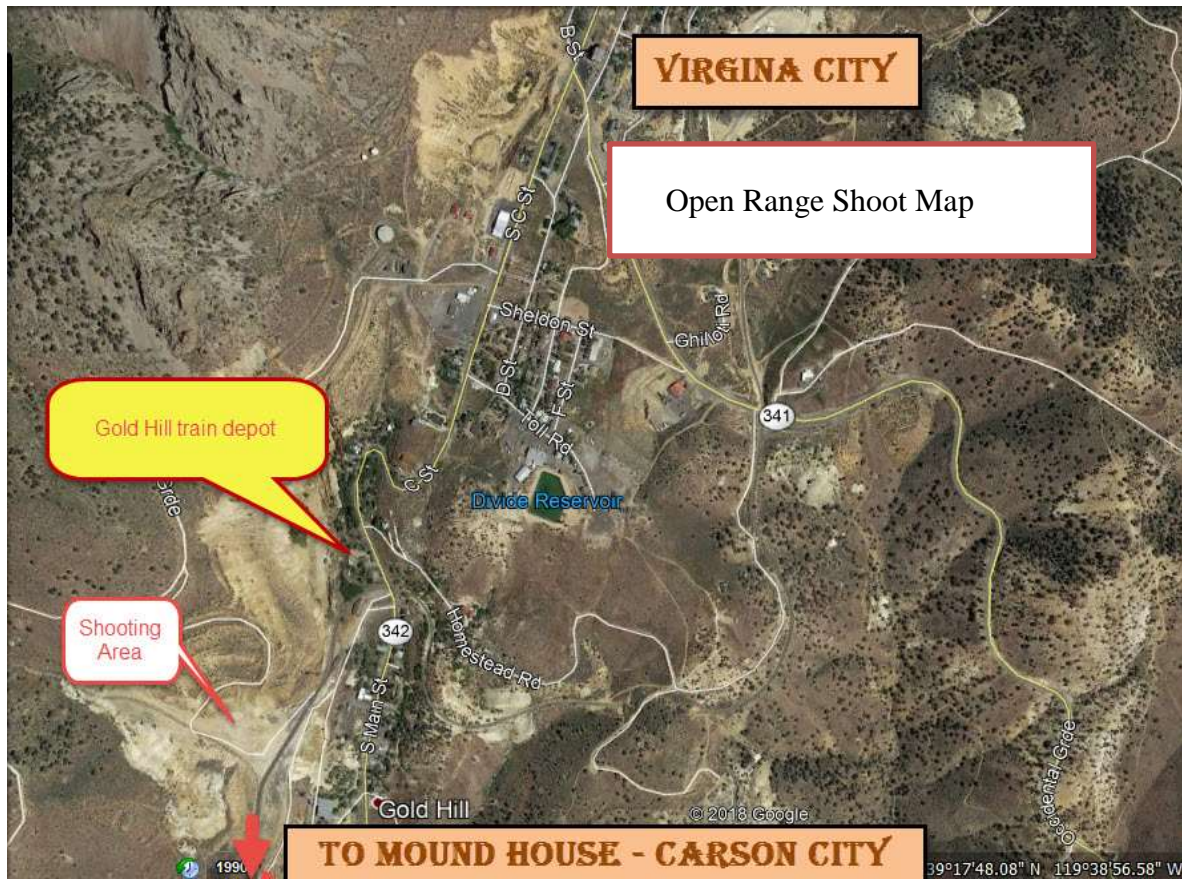

## RO1 & RO2 classes – April 25th and May 16th at the Fernley Range

- Marlin Scofield has agreed to hold RO1 Sat. April 25th and RO2 Sat. May 16th or RO1 Sat. May 16th RO2 Saturday June 6th.
- RO1 is 9 to 3. RO 2 is 9 to 5.
- RO2 needs a range so he can cover examples for safety and rules infractions.
- With 3 clubs taking up 3 Sunday's each month we could hold the class on Saturday prior to HPD and ROOP.
- RO 1 & 2 initial classes are \$35. RO 1 & 2 refresher is \$10. I don't think there will be as many first time students like Wild Bunch. So the cost may be less.
- Bring your own lunch or club provides \$\$\$? Jasper said he'd cook if the club provides the lunches.
- Club provides water and snacks \$\$\$?

## NRA Range Safety Officer Class

If you are interested in taking one of these classes please let Jackpot Jerry, Irish Ike or Jasper Agate know.

We have arranged for a NRA Range Safety Officers class for the 25th of January. Because we have a group we have the discounted price of \$100.00. These fees are to be paid by you. We feel that this class is a good thing for a number of reasons. The least being more prepared for any issues that may come up at other than SASS matches. All are welcome to attend. Please respond to Battle Born Ammo and me so I can make sure you get the discount.

If you have a problem finding the location, or if you would like more information about the information in this newsletter, call Jackpot Jerry. My cell phone number is: 310-990-6482
