Hello from Washoe Zepher

DECEMBER MATCH CANCELLATION

As you know by now, I cancelled the HPD shoot scheduled for Sunday December 2 due to the bad weather. Believe me, the decision did not come lightly! There were a lot of factors to consider and it was

a tough call. Turned out it was the right call with all that was going on that day. I think that Brazos and I got hold of everyone by phone and for those that we did not have numbers for, it was posted on the website. If I did miss anybody, my apologies. Please get with me at the next shoot so we can update everyone's information in case something like this happens again. Many thanks to JJ and our Webmaster for getting it posted so quickly.

ROOP X-MAS SHOOT

Sunday December 9th is the Roop X-Mas shoot.

Reese River Ruby and I will be hosting the shoot and there will be a little something for

everyone after the shoot. There will be lots of bonuses on the stages so shoot straight! Jasper will be helping out with some hot drinks and adult beverages. These will be served **after** the shooting is done and the guns are put away. Please bring cans for the food drive since we didn't get to it this past weekend. Same rules apply, 1 second for each can you bring off your score. Between that and the bonuses, we could have some pretty low scores! PS - Ruby came up with most of the stages for the shoot, so if you don't like them, yell at her.

HPD/ROOP CHRISTMAS PARTY

Don't forget about the Christmas Party at JJ's on Saturday, December 15th. I will let him elaborate on that.

Also, if you are going to attend, please get with Fallen Grace (fallengrace@hdiss.net) and let her know what you are bringing.

I will have the sign up sheet at the Roop shoot for the party.

STAGE WRITERS

As always, we are asking for help writing the stages for the monthly matches. Try it out. It really is fun to dream some of this stuff up. Get with me or Brazos and we will put you on the calendar. Any help is truly appreciated.

BERLIN STATE PARK TRIP

We are scheduled for December 29th to go out and see the Berlin Ichthyosaur State Park. I have been in touch with the rangers out there and they are good to go. Usually they don't have tours in the winter months because it can be pretty slow out there. We will be touring the Ichthyosaur Fossils, the old town site of Berlin, and going 500' into the Diana Mine to see what a hard day's work really looks like.

Obviously, this trip is totally weather dependent as the Park sits at over 7000' in the mountains of Central Nevada. We will keep folks updated on that.

The plan is to meet at the Harmon Junction Store on the east side of Fallon at 8:00 am on Saturday the 29th and convoy out from there. It is almost a hundred miles from Harmon Junction to the park, so plan accordingly.

Have plenty of fuel, warm clothes, food, water, etc. Bring flashlights and batteries for the mine tour. The brighter the better. There are pretty much no amenities out there.

OUT OF AREA SHOOTS

On Sunday, November 24th, 6 of us went over the hill to Cowboy Town and shot with the Shadie Ladies. The weather was great! Sunny and 70 degrees with no wind. *Fanner Fifty came away with top honors for the day.*

Sutter Lawman informed me that they are going to have a memorial shoot for Wildroot on Saturday January 5th at Cowboy Town. The fun part is, everyone is being asked to shoot it Gunfighter in Wildroot's honor.

If the weather allows, we will try and make it down there. If you are interested, let me know, we would love have more folks go with us.

SOCIAL ACTIVITIES

I know that Fallen Grace is still trying to put a calendar together for social events. Some of the items mentioned above would qualify. She also would like to see us do some short notice things like get together for a weekend breakfast or something like that . Please fill out the form with your ideas and get it back to her.

Well, that is about all I have for now. I hope to see you all at this weekend's Roop Shoot. If not, hopefully at the Christmas Party.

If you are interested in the Berlin trip or out of area shoots, call me at 721-6619 or e-mail at rrrandwz@gmail.com.

Ruby and I would like to take this opportunity to thank all of the members of both clubs for their participation and wish you all a Merry Christmas and a Happy New Year.
