Hello from Washoe Zepher

MONTHLY MATCH

We had 32 shooters show up for the monthly match in February. The day started out a little ominous with fog rolling in but it cleared out in time for some

sunshine and a pretty decent shoot. Deadeye Dick wrote up some rather interesting stages with things that we have not done in a while. Vertical gun staging, going down range, knockdowns, etc. Actually pretty fun and challenging. We even had a few clean shooters. Dick also provided some gifts of candy for best in category on the last two stages. Thanks to Dick for a job well done.

RANGE AND PROPS

We put our heads together and have come up with a fix for our props and a different way of constructing new ones when the time comes. We will also be doing a range clean up day in the near future (weather permitting) and will keep everyone advised.

SHOOTOUT ON THE COMSTOCK 2013

It might seem early, but the SOC is **only** 4 months away! Dutch is taking applications right now so make sure and sign up as soon as possible. We want a good showing from **our** club for **our** annual shoot.

We need volunteers for everything from set-up to take down. JJ will have sign up sheets available at the March HPD shoot so sign up and give us a hand. We also need donations for the raffle. If you have something you would like to donate, please bring it.

I spoke to Bob Mernickle. He is again generously donating a gun belt and 2 holsters for the auction. One point to clear up. The auction is *only* for a gunbelt and 2 holsters. If you are the winning bidder and want something else like a shotgun belt or knife sheath, that is on you to pay for out of your own pocket. Hopefully this clears up any misconceptions on anyone's part. We are talking with caterers for the dinner on Saturday night. We are still looking for a location since the Golf Club was already booked. More on that as it becomes available.

Denio will be doing the man on man "grudge match" on Sunday. Last year it was quite a hit with the shooters. Try it out.

Jasper is working with the Boy Scouts again for lunch and watching the gate during the shoot.

A lot is still left to do, so sign up and help out if you can. It is greatly appreciated.

NEW SHOOTER

Flannigan Flats brought out a new shooter (Paul) last weekend. From what we understand he had a good time and anticipates on being back again.

DUES

If you haven't yet, please pay your dues when you can. \$25.00 for a single, \$40.00 for a family. Quite a bargain in today's world.

ROOP MONTHLY SHOOT

Roop will be shooting their monthly match on Sunday February 10th. Shooters meeting at 9:30, shooting starts right after.

That's about it for now. I appreciate everyone coming out to shoot and have fun. That is what it's all about. If you have any ideas or suggestions for the monthly matches or annual match, I'd like to hear from you. Call or e-mail me. See you at the next shoot!

Washoe Zephyr

Howdy all.....and Happy February!

Seems hard to believe just how fast time **does** fly. I hear tell... that according to our furry little friend in Punxsutawney, PA (which by the way is only 45 minutes from my "hometown"), we are due for an early

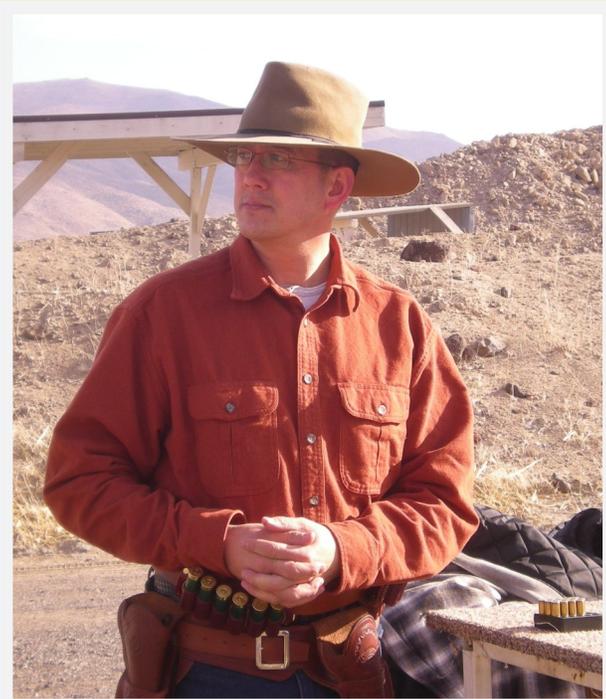

spring. This is one shooter who will be awful grateful for spring and warmer weather. That being said, I want to make sure and get the word out that our April match will have a special event attached to it. In honor of Spring, I'd like to invite all shooters and spectators to wear their "spring bonnet" finest!

Yes... you read that right!!

I'd like to see lots of special spring hats OR your regular hat adorned with something different or special just to honor Spring. Those cowpokes and gals choosing to honor Spring will be entered into a drawing for a special prize. Whether or not your hat is decorated sufficiently to earn a drawing ticket will be solely up to my discretion!! Why not have a little extra fun on Sunday...you could end up a winner in more ways than one. I happen to think that Jose Wales himself wouldn't be opposed to tucking a silk flower or two into his hat :)

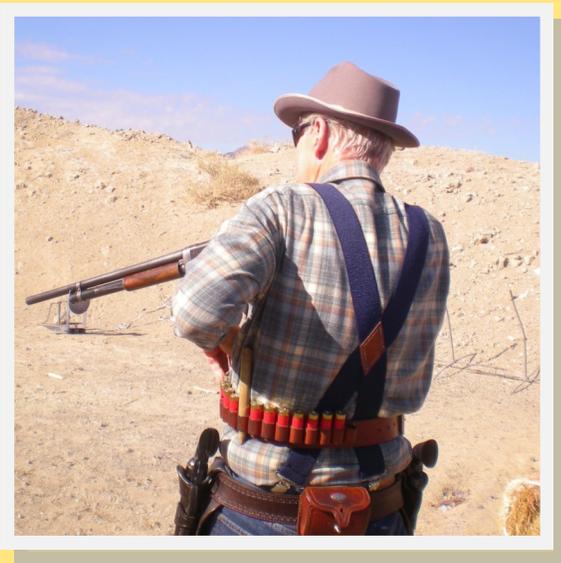

See you there.
