## Hello from Washoe Zepher

### NEW SHOOTER ORIENTATION

Hats off to Drifter John on the New Shooter Orientation held on Saturday the 1st. We had 15 people show up and take part. The new shooters learned a bit about SASS and what we do, then got to shoot a couple of stages.

Big THANK YOU to all of the cowboys that showed up to help John and provided guns and ammo. HPD signed up 2 new members from the class. More on that later.

Jasper provided a great burger and dog lunch to the whole group after shooting and it was a lot of fun.

### DEADEYE DICK'S 97 SCHOOL

Dick had a class on the 97 right after the new shooter school.

He had 8 people take the class and it was very informative with diagrams, pictures, and instructions provided. We'll see how fast his pupils are at the next match.

## WEEKEND CAMPOUT

We had about 10 or 11 of us camp out over the weekend. On Friday, Drifter John, Winchester, Flanigan Flats and myself put up a wind screen on the Pavilion. We are hoping to slow down some of those famous "Fernley Breezes" that we all know so well. On Saturday, we had a visit from "Blueridge Kid" and "Ima Goner" from the Possum Hollow crowd. They came cruising in on their Harley and chatted a bit.

## MONTHLY MATCH

A crowd of 37 shooters took the field on Sunday. We had a few new shooters with us. These included Flanigan Flats wife Alissa and their daughter Kiersten. Kiersten went with the alias "Tsuenami" and we gave her mom the handle of "Evil Alissa" after what she did to Jaspers dinner on

Saturday night. (You'll have to ask Jasper) Also shooting with us was Justin Case's son Brandon. Yep, we called him Brandon Iron.

Mr. Woods wife Katie also shot with us and had the most original alias, Mrs. Woods. Slow Thunder devised the shoot and had people laughing and crying all at the same time. There were some very interesting targets and 8 clean shooters so it wasn't all that bad.

## NEW MEMBERS

We have added 4 new shooters to HPD's ranks. When you see them, introduce yourself and make them feel welcome.

Gil T. Azell

Hawkeye Dick

Mosquito Mike and his wife, Wanda Seeit Again.

## SHOOTOUT ON THE COMSTOCK

I wasn't kidding, here it is! Some of us will be arriving on Tuesday to begin the set up for our annual match. If you can come out and help, it would sure be appreciated. Yes, it will be hot, yes it will be dry, and yes, it will be fun!

## ROI and ROII Classes

For any of you who have not done it, please try and attend Turtle's ROI and ROII classes on Wednesday starting at 9:00am. Even if you never want to run the timer, take the class just for the information.

I probably missed something with everything that is going on right now. The next week and a half will be very busy with our Annual Match. So far, we are at just over 60 shooters entered.

Our simple goal is to make sure everyone has fun. See you out there.

## Finally

At the July HPD Match the proposed changes to our By-Laws will be voted on and we will be taking nominations for our elected officers.

Positions up for election are the following:

- President
- Vice President/Secretary
- Treasurer
- Range Master

To view the proposed changes to our By-Laws and who our current elected club officers are, please visit the [NorthernNevadaCAS.com](http://NorthernNevadaCAS.com) website.

That's all for now. . .
