## **NICKLE'S WORTH**

Lately I have been bombarded with letters from gun rights groups, all asking for money. I don't know about you, but there is only so much money to go around at my house. However I would like to advise if possible to support the Friends of NRA annual banquets and auction. The funds collected will go back into the local shooting clubs and ranges.

I have been notified that the grant money is on its way for the improvement of the Sierra Sportsmen range and the Lassen Regulators part of the

range. This is due in part to the efforts of writing up a grant request and having the Friends of NRA Dinner. None of this would be possible without the valiant efforts of the many volunteers.

I plan on being at the dinner on August 28, 2010. The place is the Veterans Memorial Hall in Susanville, CA.
