December Shoot

There will not be a December shoot. The weather is just not conducive for shooting. The next scheduled shoot will be the first Saturday in April of 2011.

TOYS FOR TOTS SHOOT

The third annual Toys For Tots shoot was held on Nov 4, 2010. We had a good turnout for it. There were Thirteen shooters in all, with three new shooters participating. A good time was had by all and the lunch after was great-Hot dogs with all the fixings with chili and dessert. It hit the spot after the shoot. We collected over three large plastic bags filled with toys for needy children. We appreciate those that donated toys that were unable to attend. Hopefully next year they will be able to shoot with us.

December Meeting

The December meeting for the Lassen Regulators will be held on Dec 17, 2010 at the Janesville Pizza Factory starting at 7:00 PM. This will be our annual dinner-meaning all the pizza you can eat. Bring the family.

This is also the meeting when we nominate officers for the coming year. So come on out and have fun and nominate those individuals you would like to be officers for the next year.

If you have ideas or suggestions, be sure to bring them forward as we are always looking for ways to improve the range and the club.

NICKLE'S WORTH

First of all, I would like to wish everyone a Merry Christmas.

A lot of things have happened this year, mostly good, some not so good. The elections were not what I hoped for, but we live in a republic and the

people have spoken. Wait until the next election.

The Rice Canyon Range projects that were scheduled have all been completed before the weather turned bad. More projects are planned for next year. The range is getting better all the time, thanks to all the people who have given of their time and energy. It is much appreciated. Hope to see everyone next year.

"If tyranny and oppression come to this land, it will be in the guise of fighting a foreign enemy." James Madison

Keep your powder dry and deny the enemy the high ground.
