### **April Shoot**

As of right now, the April shoot is canceled due to the muddy range conditions. The next shoot will be held on May 7, 2011.

### **Sierra Sportsmen Meeting**

The second quarter meeting of the Sierra Sportsmen will be held on April 11, 2011 at the Susanville Pizza Factory, starting at 7:00 PM.

### **Lassen Regulators**

The next meeting will be at the Janesville Pizza Factory on April 15, 2011. Time--7:00 PM

## **NICKLES WORTH**

At the last Regulators meeting, I made an announcement about the selection process that will be used for Top Cowboy and Cowgirl at the 2011 Sagebrush Rebellion. We will be using the rank scoring system to determine the winners. The rest of the scoring for categories will be the same as in years past. We haven't used this type of scoring before, so we'll see how it works out.

Just came down from the range and it is really wet up there. Even got water in the stream next to the Cowboy section.

Hopefully it will be dried out and we can get everything back in shape for the May shoot.

There is a Friends of NRA dinner on April 30, 2011 at the Veterans Memorial Hall in Susanville. It through the dinner and auction that money is raised for the grants given to local shooting clubs.

Last year the Sierra Sportsmen Club received a grant to make improvements to the range. I encourage everyone that can to attend a dinner in

their area and support the fund raising.

I am always open to suggestions on improving and expanding our club. If anyone has ideas on getting new shooters into the sport of cowboy shooting I would be glad to hear them. We need to bring younger people into the sport, as none of us that are into it are getting any younger.

"All tyranny needs to gain a foothold is for people of good conscience to remain silent." Thomas Jefferson

Keep your powder dry and deny the enemy the high ground.
