Lassen County Fair

This year the Sierra Sportsmen will have a booth at the Lassen County Fair. This is a way of getting the word out that we have a great range for the shooting sports. There are a lot of people in the area that do not know that the range exists. We will have a laser shooting gallery, hand outs, a video slide show. There might be more things added at the booth. If you would like to help man the booth for a

for a period of time, let me know so we can make arrangements for passes and times.

The dates of the fair are July 20-24. The times are 11:00 AM until 10:00 PM Wednesday thru Saturday and 11:00 AM until 9:00 PM on Sunday. More info will be posted as we get closer to the Fair date.

It is also being discussed to have an entry in the parade for the fair. Banners are being designed and made for the parade and booth.

NICKLES WORTH

A local scout troop has expressed interest in holding a fund raising shoot at the Rice canyon Range. This was presented to the members of the Sierra Sportsmen at their April meeting. A committee was formed to work with the scout leaders on this project. As more info is known I will let everyone know. We need to take advantage of these types of opportunity to bring younger people into the different shooting sports. A lot of the people participating in shooting

are getting up in years and are not being replaced by new shooters. We need to promote the sport at every opportunity.
