### **June Meeting**

The June meeting for the Regulators will be held on June 17, 2011 at the Janesville Pizza Factory. Start time is 7:00 PM.

## **NICKLE'S WORTH**

Scout Troop 405 of Susanville will be sponsoring a Top Shot competition at the Rice canyon Range on September 10-11, 2011. There will be five stages of shooting. Trap, rifle silhouette, semi-auto pistol, revolver, and archery. The cost of entry is \$25.00 for individuals and \$100.00 for a team of no more than five individuals. As this is the

first time that they have done anything like this they have asked the members of the Sierra Sportsmen Club to assist with Range Master duties. The scouts will be handling everything else. They plan on having food and refreshments for sale. As this is still in the planning stages, I will be posting more info when I get it.

The Sierra Sportsmen will have a booth at the Lassen County Fair this year. They will be signing up new members, passing out literature and having a laser shooting gallery. The booth will be manned by volunteers as the booth must be open all day long. The fair dates are July 20-24, 2011. If you would like to help out, let me know. The 2011 Sagebrush Rebellion is fast approaching. So start making plans to attend. Every year we hope to make it better than the year before. So far we have been successful in this. It takes a lot of hard work

and time to put this together. For those of you who are going to mail in your entry, we have a new address. The new address is: **Lassen Regulators**  
**P.O. Box 257**

It seems like everytime you turn around the price of everything goes up. Most everyone is on a budget these days and shooting costs and travel costs are going through the ceiling. Some of the ways to help on costs are to go together to buy components and supplies in bulk. Also a couple of people going to a shoot in one vehicle if possible is another way.

“In a healthy nation there is a kind of dramatic balance between the will of the people and the government, which prevents its degeneration into tyranny.” Albert Einstein
