## **2012 REBELLION**

The 2012 Sagebrush Rebellion is now history. This year there were new things being tried out. The Saturday night dinner was held at the Diamond Mountain Casino With all you could eat Tri Tip and all the fixings. There were five guns and a whole lot of prizes given away that night as this was a benefit for the Sierra Sportsmen Range. Anything that benefits the range benefits the Lassen Regulators. Another thing that was tried was a cowboy swap meet on Sunday after the last three stages. We will be evaluating all the changes and those that worked will be in the 2013 Sagebrush Rebellion.

To all those that came out to shoot with the Regulators, **Thank You!** It is great to see new faces as well as old friends at our matches.

## NICKLE'S WORTH

Putting on an annual match is a lot work, but thanks to all those that volunteered and gave of their time, effort, ideas, it came about and was a success in my humble opinion.

First of all I would like to thank Bug Town Dusty for writing the scenarios and helping to set up the stages. This after being out of the hospital only three weeks. He also shot in the match even tho he was moving a little slower than usual. My thanks to his wife Fran for keeping score, putting the shooters booklet together, and making sure that Dusty did not over do it.

Thanks to Chuck Wagon Betty for making sandwiches for the lunches and Sam Bullet for bringing them out and also for all his work in helping to get the match ready.

Country Hick, Chief, Desert Rose, Miss Kitty Gone Bad my thanks also as we could not have done this without you. We had a lot of visitors and spectators this year. Lets hope they had a good time and want to come back again.

And let us not forget our sponsors, who have generously given their support this year and in past years. Our sponsors are on the classified page of the newsletter.

To all the shooters, We are working as fast as possible to get the dvd and awards mailed out.

Just a reminder, that the match in October will be our Toys For Tots Shoot. We decided to have it then as it will (hopefully) be better weather. There will be more info next issue.
