NICKLE'S WORTH

Well, I'm back from sunny Arizona to the Land of The Never Sweats. Getting back into the swing of things and catching up on all the latest happenings. I enjoy going down to AZ and meeting and shooting with people from all over the US and Canada that escape the cold and snow.

We had the first shoot of the year on the third of May. Great weather for those that came out to shoot. We had people come out to see what Cowboy Action Shooting is all about. After the match they got to do some shooting and said that they will be there for the match in June. Looking forward to having new people join us in our sport.

We have changed our mailing address for the club. The new address is-----

Congratulations to Brier Patch on his shooting at the Buffalo Shoot in Carson City. Everyone that attended had a great time from all accounts. Bug Town Dusty, Big Oly, Small Oly, and Brier Patch with their families made the trek down to the Buffalo Shoot. The Silver State Shootists always put on a great match. If you get a chance, go on down and attend one of their matches. They will make you feel welcome.

For the scores of our matches and photos go to our web site as I won't be putting them in the newsletter. Also when you go to the web site you will find a calendar of events for the Regulators and Northern Nevada Clubs.
