NICKLE'S WORTH

For those that have not gone to The Shasta Regulators "Ambush At Hat Creek" , you are missing out on a fun annual match. It might not be one of the big ones, but, you do get your moneys worth of good scenarios, food and prizes. They have some good side matches especially the shotgun frenzy. There's and old saying "take plenty of shotgun ammo". When shooting the frenzy, you can not take too much ammo. Just because they say that you only need 28 rounds, don't believe them, take more. This year they held The Ambush in September rather than June as in years past. Myself, I liked it better as the temperature was not as hot. I hope they continue to hold it in September.

Bug Town Dusty took first place in the long range Buffalo Shoot at the Ambush. He had eleven out of fourteen at three and five hundred meters. It does help to shoot at our range, especially with our wind. Congrats to Dusty.

If you can't make it for the match on Oct 4 and want to donate toys contact Kid Nickle at 530-253-3502 so we can make arrangements to pick up the toys.

Next month I'll tackle a question that I was asked. How many times can you reload a shot shell?
