Nickle's worth

Well, we're back in Lassen County again for the summer season. We had a good season down in Arizona. The clubs down there always make you welcome and are a joy to shoot the up close and big targets.

Now we're getting ready for the Lassen County Fair Parade, Sagebrush Rebellion, Ambush At Hat Creek, Toys For Tots. The Lassen County Parade is on **Saturday July 18, 2015**. Let me know if you wish to participate. The Rebellion is from **July 31 to August 3**. Ambush At Hat Creek is **Sept. 11-13**. Make plans now to attend. They always have a good match. The Toys For Tots match will be on **Oct. 3, 2015**.

At the May shoot, it was a pleasure to see new shooters, especially the youngsters. Lets make every match enjoyable and safe for them.

The powder situation for pistols has not improved very much. You can find some powders for reloading, but they may not be what you are used to or prefer. I used Trail Boss for years, however I have run out and now have use other powders that I have on hand for the pistols. The good news is that primers are plentiful and you can get rifle powders. Some cases are in short supply but can be had if you look for them.

"I predict future happiness for Americans if they can prevent the government from wasting the labors of the people under the pretense of taking care of them." Thomas Jefferson

Keep your powder dry and deny the enemy the high ground.
