NICKLE'S WORTH

Well another Sagebrush Rebellion has come and gone. By all accounts, it was a success. The weather was good, no rain, just sunny and warm. Some new shooters came to try their luck. Enjoyed having them here, especially the enthusiastic young shooter. Looking forward to seeing them next year for the 2016 Sagebrush Rebellion. I would like to give **Big Thanks** to all the people who helped make the Sagebrush Rebellion a success. Bugtown Dusty for the scenarios and set up and all the work that goes along with it. Never Clear for the booklets, score keeping, lunches, setting up the dinner arrangements and all the paper work. Chief, Gray Soldier, Orion for long range targets and all the work of setting up and taking down, all the other jobs of making the match a success. To all the ladies and gentlemen who provided the good grub for the dinner on Saturday night. To the members of the Monticola Club for the site of the dinner. I would also like to thank our sponsors for their generous support:
