Battle Born Rangers

BBR is now an official Corporation of the State of Nevada, a recognized 501 c (3) non profit corporation and we have a new bank account set up.

JJ got the approval from the IRS for the Non-profit. JJ, Black Jack Slim and I went to the B of A and officially opened the new corporations bank account. JJ then Transferred the money from the HPD account over to the BBR account. Jasper and JJ will get together and do the same for the ROOP account. Those accounts will be closed after all of that.

As promised we held elections for the 5 Board Member positions during the ROOP shoot welcome. No nominations were presented for any of the positions. The 5 current members said they would continue as Board members. Your BBR Board is Irish Ike – President, Sherriff Winchester – HPD Coordinator, Jasper Agate – ROOP Coordinator, JJ – Treasurer, Black Jack Slim – Secretary.

During the meeting, I asked for suggestions for improvements to the range, targets etc. from the members. So, if you have any ideas let any of us know.

With this reorganization, we will be saving around \$1,700 in insurance and fees.

See you all next month - Ike

Howdy Roop Shooters!

It was a cold start to the day, but we had 30 brave souls join us for Fanny Seabrides Mother's Day match. Fanny had some fun stuff for us as usual. It was great to see Bella Coola once more and boy can that lady shoot!! We had Tequila Joe Crow join us hopefully he'll be able to come out a little more often. Thanks to all that helped with the set up and break down. A few extra hands make a huge difference in the work we do to make the matches fun for you all!!

June is going to be a busy month. Drifter John set up a demo at Cabelas on Saturday the 3rd of June. We have a campout set up for the Roop weekend. We'll be out Friday June 9th with the Boy Scouts. On Saturday, we have a long-range match planned. Tumbleweed Ed will be running that. Some of us will be busy with the scouts helping them with their marksmanship merit badges. After that we expect the scouts to help us with some range clean up. We will be having a potluck under the pavilion on Saturday evening. For Sunday Pasco has written some fast and fun stages for us to shoot.

We have 22 people signed up for Roop County Days and we will have a short meeting after the match on Sunday. All are invited to attend!! We need all the help we can get!!

Trying to keep this short and sweet, see you on the range,

Jasper

High Plains Drifters –

We had a good 1st weekend of May starting off with a Wild Bunch match put on by Bordello Fellow. He says he's going to try and have one each month. They're quite a hoot! Come out and join us for the next one!

Then on Sunday, a little cooler day, Fallen Grace did a great job putting on her Annual Underwear shoot. This was the first time she tried writing the stages. We had 20 brave souls, cut it a little short with only 4 stages, but they were challenging and fun! Bonus time was gained by spitting peanuts into a spittoon! Great job Grace!

Thanks to all that helped! It does make a difference!

YOU FILL THE BOOTS,
DOESN'T MEAN YOU'LL
BE ABLE TO WALK IN THEM.
