Howdy all,

Well, we pulled another one off. Thanks to all that shot and helped with our 2017 Roop County Days match sponsored by the Battle Born Rangers. It was a fantastic match with only one wind event and it was a duesy!!! Coming back from helping our guests put up their awning I swear I saw the start of a funnel cloud!!! The weather for the rest of the weekend was probably the best I've ever seen in all the years I've been helping with the match. Ogallala did an outstanding job on the stages once more. We had 11 cleans shooters with me bringing up the rears with a clean match and a "P". I know, I know it ain't clean with a "P"!!

We had friends join us from as far away as Wyoming and that Chama Bill can shoot!! It was great to see Rexx who came down from Oregon to shoot Tom Horn and hang out with Possum Hollow!!! Bella Coola joined us once more and brought her friend Miss Chievous and her very cool remanufactured 1960's Air Stream. Our shooters from New Zealand had some transportation issues and couldn't make the match, but they said they are going to try again next year. Our friends Juan Bad Hombre & Dusty Garnet had motor home problems and had to cancel and were missed. Hope to see you next year!! By the way, they managed to send some items for our raffle even though they couldn't attend the match!!!!

Speaking of the raffle from your wonderful generosity we had 72 items to raffle and we sold \$1751.00 worth of raffle tickets!!! I think that might be a new record!!

We had a chance to meet a new shooter during Roop County Days. Quickly Down Under invited Pecos Nick to come out and join us. Nick is a freshman from Las Vegas who is studying medicine at UNR. He told me he is going to study orthopedics and I told him that's a wonderful thing cause we're all falling apart!! I was told that he shot a stage, the one with two bonuses' that totaled 15 seconds and his time total time was 2 seconds. Did I mention that he is the current world champion duelist and shot 15th overall out of almost 600 shooters at End of Trail!! Nick we're proud to have you up in northern NV and hope you enjoy your stay!!

Top Shooters for the 2017 Roop County Days were Quickly Down Under and Bella Coola congrats to both and heart felt congrats to Flannigan Flats for being given our Top Hand Award!!!!!!

Cops & Cowboys match is sneaking up on us and we still need you all to sign up. We will be camping out on Friday Oct 6th to set up the match. This will be the third year and we will be having a great time. It's a benefit for the Northern Nevada Special Olympics. All your shooters fees will go towards that wonderful organization. As in years past we will be serving lunch after the match. Sunday brings JJ's Think Pink Match. Be sure to bring your box of pink shotgun shells. I already have mine!!

See you all on the range,

Jasper
