Oct. Newsletter

Howdy all,

We made it back from helping with our son, Woody's wedding just in time for the first snowflakes of the season. The Wedding was a lot of work, but we had a blast!

Irish Ike took the reins for the wild Bunch match on the last Saturday weekend shoot and he and the three participants said they had a ball! Reno Slim and Washoe Zephyr had the range on Sunday for their World Famous Red Shirt Gunfighter stages and that was fun as usual. We had a pretty good turnout for the match with 28 shooters. Fanner Fifty took top honors and the gaudiest trophy I've ever seen in my life. (Maybe the trophy is why we only had 4 shooting that category!!) I had a lot on my plate, so to speak and didn't shoot the match. To be honest, my guns are still dirty from Roop County Days!! After the match I made lunch for everyone with left overs from our annual and we had a board meeting.

We had Bordello Fellow and his wife Sue join us from Oregon. Sue jumped right in and kept score for her husbands posse and as I was the one to record the scores I might add that she has wonderful penmanship!! They are looking to retire in our area and I think they would make a fine addition to our club!

As some of you know we had a gaping hole in our roof, well that's being fixed!! Dutch Dalton got us the materials and Washoe Z and Winchester have graciously offered to install them. I'm supplying the screws and morale support. They also wanted to fill all the cracks and holes in the roof as well. I guess we should stop shooting holes in it with our BB guns (Ya' know you could put your eye out with one of those things!!)

We have a new landlord. He's not really new its the same owner, but we are now sending our lease payment to him. It's going to be setup direct deposit and I think that's a great idea. I've yet to set that up, but should have it done long before its due. Nothing much else to report from the banker except we are no longer broke. I can't say exactly how much we have in the bank, but I'll have a report for the board by the next monthly in Nov. Speaking of November, HPD will be having a board meeting after their shoot on Nov 4th. After their board meeting we (both clubs) will be putting together next years social and shoot calendar. ***Join us and bring the dates for your events!!*** Both clubs are looking for new stage writers. Pick a date and step up. those of us who have done a few would be glad to help you any way you like!

At our board meeting we voted to replace a couple of board members who no longer wanted their respective positions. We replaced Toni 2 Bits with Drifter John as Deputy Sheriff (vice president). We still need some folks to step up and take the Treasurer's (Banker) and Secretary's (Scribe) positions. The last two were ***temporarily***

given to me as I wanted to know how they work. We also brought our bylaws up to date. The whole board present liked what was written. I'll make a final draft and send it to the board to be ratified before the next match. It will be available on our website for all to peruse after the board gives final approval.

JJ has graciously offered his heated RV barn for us to hold a joint club Christmas party. The date is Dec 15th so mark your calendar for the first annual ROOP/ HPD Christmas party!! Ike and I talked it over and decided we, both clubs will provide the entree and you guys will bring your own drinks, side dishes, desserts and what not. The clubs will provide the plates, napkins and flatware as well. The social wranglers from both clubs will be in contact with you on what to bring and any planned activities they have up their sleeves.

November will be food drive month again. For every item you bring in you will get a second taken off your score, so be generous and have the fastest time ever!!!!

We will also be starting winter hours again
Sign ups at 9:00 am
Shooters meeting at 9:30 am
Shooting starts at 10:00 am

I'm thrilled to be part of such a grand organization and want to thank each and everyone one of you for making it the club we have today,

Your humble Sheriff
Jasper
