Howdy all

We went out on Friday with plans on celebrating Brazo's 70th birthday, but he was sick and couldn't even join us!! Drifter John pulled a Jasper and his back went out so he couldn't set up the match. A special thanks to Turtle for stepping up writing and setting up some fun fast stages. We had 32 shooters and 8 of them shot clean including Hot Babe and for the first time Gold Rush Ali, Congrats ladies!!!!

On Saturday 49er Preacher, Turtle and I set up long range for the up coming Roop County Days. We had a ball shooting out to 700 yards. We wanted to be sure that all the targets rang loud for our up coming event. We have a great long range and I hope you all come out and see what's up with our new facility.

The joint club picnic was a rousing success. The food you all brought was wonderful!! I couldn't taste it all, but everything I had was outstanding! Rowdy Robin brought a fresh green salad with my favorite salad dressing. There were so many stand out salads and desserts that it's impossible for me to mention them all!! Washoe counted 61 people who took the time out of their busy weekend to join us. HPD's new social director Mustang Sally and out going social director Fallen Grace did an outstanding job with their carnival. I have to admit that I had a ball hanging out with Onya Case's wonderful grand kids. Three of the best little kids I've been around in awhile!! We helped them through all the activities that the ladies had planned for us and made sure they were one of the first in line for the gifts the ladies had for the winners. One of our newest members, Bitterroot brought out his wife Helen and she had a great big grin on her face when he finally wheeled her back to the car. Wild Bill Berry and Gold Rush Ali brought out part of their family and I got to spend some time with Bill's mom who was fascinated by my knife skills. Good thing I didn't have any boo-boos and leave parts of my fingers on the table! It was good to see Faro John and Joy join us for the day. The picnic is a good time and has been since we started doing it a few years back. I would highly recommend you all join us next year!!

Roop County Days is right around the corner. If you haven't signed up do so now!! Give CC or me a call and we'll add you to the list. For all that are coming out for the big match, we need your help setting up, tearing down and all the little chores that come up during the match. Once again I would like all members to bring a couple dozen cookies for our snack table. We'll have fresh fruit and other salty snacks to put out with your cookies. We're still accepting donations for BeeBads raffle. You can bring something out the day you sign in for the big match.

See you on the range,

Jasper
