Howdy All,

We had another great weekend on the range!! Dutch gave a cowboy shooting proficiency class in the morning and Bordello Fellow had a Wild Bunch match on Saturday afternoon. We then set up for Ike's world famous Josey Wales match on Sunday. Looks like we had 19 of the 34 shooters who brought out their second set of pistols and a big bore rifle to blaze away at the

stages Ike provided us with. Most of the other details got lost in what little mind I have left. It seems like the last month was a blur!! I don't think I was home for more than a few days at a time, I had a ball!! I didn't start to write this newsletter until the very end of the month.

It looks like we have a long range to use again. Rudy and Dan have built a range that goes out to 700 yards on the property and we have been told we can use it!! We haven't worked out any of the details as yet, but the offer has been made. More on that as details become available.

The next big adventure on our range will be Shootout on the Comstock. The plans are laid and all who are running different aspects of the match have their assignments. Lots of help is still needed from set up to helping with the food preparation for the awards dinner. It's your club, so please sign up and volunteer whatever time you have to help. The Sunday of the match is pretty much grueling for those of us who have been there all week and more help on that last clean up day is crucial.

We are going to be sending out the applications for Roop County Days real soon and we have some major changes. After a long time of being a big part of RCD's CC Dollar has

decided to pursue other interests. He has been a big part of the behind the scenes organization and we as a team are going to have to step up and fill those shoes. Ogallala has been writing stages and I have most of the paper work ready to send out. We actually have a couple of out of town sign ups already!! We need to have a meeting to discuss how we are going to split up the responsibilities that CC had been doing. I would like to have a meeting after the next Roop monthly match in May. Please make plans to attend the meeting. Again, this is our club and your participation is important!! Lets all thank CC for the job he has done and wish him well on his next adventure. We got together with Bordellow Fellow and have added some wild bunch dates to the calendar. They will be on the campout weekends that we don't have our annual matches. I was told that if you don't have all the right gear to come on out and join us. We will have an open division for those not quite up to speed with Wild Bunch requirements. The Calendar is available for all to see on our website:

I'm helping a friend sell an original Winchester High-wall model 1885 with a 4-digit serial number and a single set trigger in 38/55. It's equipped with Browning sights. This gun is competition ready!! With a crescent butt plate and fairly heavy barrel which shouldn't be an issue with the light kicking 38/55. I shoot a lever gun with a crescent butt plate in the same caliber. With a shoulder pad I can shoot it all day long. The rifle looks like a 100 plus year old rifle should with some dings in the wood and appropriate patina and ageing on the metal parts and a truly pristine bore. Come to find out Elrod had relined the barrel with a 14 twist barrel liner and this gun shoots!! Because of the 14-twist liner you can use heavier caliber bullets in it. It comes with plenty of extras such as bullets, cartridges and cartridge boxes, some powder, dies and brass in a nice toolbox.

The price is a firm \$1500.00 and well worth it. Give me a call to see this fine old piece of history.

That's all the ramblings that I have for now, see you on the range,

Jasper

It's that time of the year again our annual membership dues are due in May- \$24.00 annual – \$36.00 for the whole family and if you are felling flush a lifetime membership is \$200.00
