

# ROOP COUNTY SHOOTERS ASSOCIATION

Fernley, Nevada

Editor: BlackJack Slim  
Publisher: Jackpot Jerry

*Volume 12*

*Issue 11*

HOWDY ALL,

We had a pretty good turn out for our November match. We had 29 shooters with 6 of them shooting clean. It was big bore optional with the stages written by me! It was windy and cold when Brazos and I showed up to get the ball rolling. After getting Pasco setup we got the steel all on one trailer and had the

range setup in fifteen minutes. A big thank you to those intrepid souls who showed up early to help!!!! The cold wind died and we had a pretty nice day.

It's time to make up our annual joint club's calendar. We have a number of dates already filled in, but we still have other dates that need stage writers. I'll have the sign ups with me for the next few events until its all filled up.

October is going to be a busy month next year. We are going to have a joint venture with HPD for the Nevada State Wild Bunch match to be held 28th –30th of October. We are going to make a few new targets that can be used for both wild bunch and cowboy matches. We will need your support and help to put on a great match. Put that date on your calendar. We are going to do the Cops & Cowboys match in Oct. next year as well. Our joint club Christmas party is going to be held at JJ and Miss Sues home on the 19th of December. There will be info in the newsletter for those interested. We have always had a blast so you should try to join us. I'll be cooking the protein again this year. I've been asked to have the return of the smoked pork loin and BeeBad has made a request for some turkey as well. Who am I to say no to her!!!

We are planning on working on the long range for us to use next year. I'm going to speak to the landlord and grounds guy about building some berms so we can hang the silhouette targets that Tumbleweed Ed and Brazos got put together for us.

We are sending NV Turtle to the SASS convention. We'll have representation for both clubs. Hopefully they can be the voice of reason and keep some of the weird changes stifled.

We will be collecting nonperishable foods for the food bank at Our Dec match. For the last few years Washoe and Ruby have put on a damn nice shoot for us and I for one am looking forward to seeing what they have for us this year. We will have coffee, Tea, hot chocolate and some adult condiments to spice up the libation. Please bring something to snack on and join us after the match for some holiday camaraderie.

The next Roop County Days will be our 20th annual and we are looking for some fresh ideas for the match. We are going to have the best annual match ever and want your ideas and help. Plan on joining us for a planning meeting, date to be announced after the first of the year.

We had a short meeting after the Nov. match to discuss the 19th annual Roop County Days. We decided to do things pretty much the same for next year since it went so well BeeBad and I want to wish you all a Happy Thanksgiving. We hope you are surrounded by friends and loved ones.

We'll see you on the range,

Jasper
