ISSUE 6

Howdy all,

The weather gods smiled upon us once more. We had a great day with 29 shooters join us for Flannigan's stages. They were fun and you had to think a little on a couple of them and we only had three clean shooters for the match. We had two new shooters from Drifter Johns new shooter orientation join us in June. Cool Hand Duke and Killer Kelly looked like they had a ball.

Nevada Blaze has written the stages for July and they should be fast and fun.

We will be having a short meeting after the July match to discuss our 20th annual Roop County Days. Please make plans on joining us as we need all the help we can get!! Drifter John got us an automatic bird thrower to use at the match this year for a little cowboy trap. Ogallala has the stages written and has asked for a few new pieces of steel for the match as well. We hope to use Washoe's dump trailer this year. It seemed to work really well for Shoot-a-Com. JJ's not going to be able to do the scoring this year and I've recruited the Napa's to help us. It's time for a club member to step up and take over that position on a full time basis so JJ's not doing it every month!!

We still need a full time range master (Judge) to step up and take over the duties that have been left vacant by Southpaws retirement.

At BeeBads prodding we (both clubs) are looking into a defibrillator for our use at the range. More info on that as it becomes available.

Don't forget to put the joint clubs picnic on your calendar. Saturday August 20th at Mill Park, the same place we've had it at for the last couple of years.

If you haven't paid your annual club dues, please do so in July. I forgot to get out a reminder before our match in May so we are going to extend forgiveness for the month of July. If you haven't paid them by August be prepared to pay the non-member price.

Cops & Cowboys is back on the calendar. It will be held on Saturday Oct 8th with JJ's Think Pink match the following day. Applications should be out by the July Roop monthly match. Space will be limited.

Plan on joining us for the Nevada state Wild Bunch match that will be held on Oct 27th -29th. Applications available on our website:

That's all for now, see you all on the range

Horse Quotes and Sayings

What would a cowboy, or cowgirl, for that matter, be without his or her horse? Is it even possible to be a cowboy without a horse? Here are some funny sayings about horses.

- If you get thrown from a horse, you have to get up and get back on, unless you landed on a cactus; then you have to roll around and scream in pain.
- A cowboy is a man with guts and a horse.
- If you climb in the saddle, be ready for the ride.
- The horse stopped with a jerk-- and the jerk fell off!
- When in doubt, let your horse do the thinkin'.
- Speak your mind, but ride a fast horse.

Cowboys have a way of looking at things a little differently than the rest of us. Their wisdom is simpler and more down to Earth.
