Howdy all,

This month is going to be short! It's the 27th of December and I'm just getting around to writing you all. Thanks to all of you that came out to participate in our holiday celebration at the range.

A special thanks to Longarm for giving us some fun stages once more!! After the match we had some libation and a few snacks then got down to business discussing what changes you all would like to see us make to the clubs in the New Year. I came away from our meeting with a good feeling for our future. Thanks to all that stuck around and gave us your input!! 49er preacher was given the task of writing a new set of bylaws for a new organization. He and I have been trying to get together to do this task. It seems like the bylaw gods are against us. First my back went out, then I got the KRUD from my dear wife and in turn we gave it to 49er Preacher. Isn't it nice to share!! We did spend a few hours working with both club's bylaws, the info I got from Jimmy Frisco and 49er Preacher found what the state of Nevada was expecting from us and printed that out. We hope to have a document for the boards to see by the time we have our next scheduled meeting on January 7th at a place to still be determined.

If you missed the joint clubs Christmas party, you missed a really good time!! The food was delicious and the company was even better. I shall always treasure being given the honor of being awarded the Irish Ike Top Hand award from the High

Plains Drifters. Too bad both clubs aren't involved in the process of choosing the individual for such a prestigious award since most members who would be in the running for this award work hard for both clubs.

We still have some openings on the upcoming joint clubs stage writer's calendar. I'll have it with me at the HPD match on Sunday. We need to get this finalized so we can get it up on our website.

Happy New Year to all!!
See you on the range,
Jasper Agate
