

THE BULLET HOLE

JUNE 2010

Message from the Match Director.

Well another shoot is under our belts and it seemed like everyone had a lot of fun. Nice to have Carson Kate back shooting. We had several new shooters and hope they enjoyed it and will return. Washoe showed up this shoot and I guess he won't be here for quite some time to come, but was nice having him again.

I hope everybody enjoyed the shade covers and we will be using them again.

Plan to have a colorful shoot in July.

Thanks to everyone for setting up and taking down the stages, this is really helpful and appreciated.

Sutro Gringo is going to be at the next shoot doing video and everyone who is there will get a free tape.

Hope to see you there.

Keep your powder dry.

Sagebrush Sam.

Elections, Elections, Elections!!!!

It's that time of the year again when we decide who is going to make the decisions that impact this club. This is not to be taken lightly because it is important. So, if you feel you can do the job step up and throw your name in the hat. Our bylaws require that you come to meetings unless you have an excuse for one or two. Be that as it may, the meetings are important because that is where all the business of the club is done. So if you feel you can do the job and make the meetings by all means make it known to the board. At the July meeting the nominations will be open and if there are two or more running for the position then ballots will be mailed to all members in good standing. By good standing I mean that you paid your dues. If there is no opposition then there will be no ballots mailed. At the annual meeting in August the officers will be seated.

NEXT MEETING: JULY 12 7:30

NEXT SHOOT: JULY 18 9AM SHOOTERS MEETING

That's all for now.

Always remember to deny the enemy the high ground!
