

# THE BULLET HOLE

JULY 2010

## FROM THE MATCH DIRECTOR

Well, another fine day to shoot, weather wasn't bad and we had the shade covers up so it kept the hot sun off of us.

Surtro Gringo came out and did some video of us shooting and our colorful targets which after a few shots lost all their color. We would like to thank him. He will be giving out DVD to everyone who shot, just let me know and I will get one to you free.

Thanks to Shotgun Marshall for hauling the porta potty to and back and for picking the paint for our targets. A special thanks to Minnesota Buckshot who came over and picked up the table trailer.

Hope everyone had fun. We shot some new and different targets. Thanks to everyone who helped set up and tear down the stages. Sure appreciated that.

Hope TJ feels better.

After the shoot as usual, several of us went down for pizza and a gab session. Hope more of you come next month.

Keep your powder dry.....see you next month

Sagebrush Sam

## FROM THE EDITOR

At the July meeting we opened nominations for officers for the coming year. Among those present the consensus of opinion was to leave the officers as is. The only exceptions were a nomination of Bull Moose aka Don Schiffer as treasurer and Winchester aka Al Lopeman as a director. These nominations were accepted by the board. At that time Bull Moose motioned that the nominations be closed and it was seconded by Washoe Zephyr. This was unanimously approved and so the nominations

were closed. At the annual meeting in August the new board will be seated and I will be reporting to you the results in the next newsletter.

Washoe Zephyr is working as a tour guide for a mine this summer and has offered to take members for the tour. He offered that period dress might be nice. If you are interested give him a call. He would like to set up for a group to do the tour. His number is: 775-721-6619.

On a personal note, I am scheduled as of now to have knee replacement surgery on the 30<sup>th</sup> of August so I won't be around for awhile. But, you will be hearing from me as I believe that I will still be able to print the newsletter.

Don't forget the Grand Sierra Gun Show  
August 12 to 15.

Next meeting August 9, 2010 7:30

Next shoot August 15. 9am shooters meeting.

That's all for now,  
Always remember to deny the enemy the high  
ground.

Tahoe Bill  
Editor.
