### - The October Shootout -

We had one posse this month but no "posse picture" because Carson Kate (aka "the cowboy popuracci") was having some eye procedures done and she couldn't see to well.

New SSS Member:

Tales from Winchester:

It was a good shoot; 15 shooters came out. The weather was good and the company even better! Sam did some great stage writing for a lot of fun. I want to thank all those who helped set up and take down. It goes very fast when all help.

Don't forget the Turkey Shoot is next month. The top 5 shooters get turkeys, bottom 5 shooters get pumpkin pies.

The Christmas party is just around the corner, I know it gets sooner every year! More details in next month's newsletter. Plan on coming December 3<sup>rd</sup>, it should be a great time.

If you haven't had a chance, introduce yourself to the newest Silver State members.

From The Match Director:

Howdy. . . I would like to thanks everyone who came to the monthly shoot, and I thought we had a great time. There were quite a few shooters who shot clean till stage 3, then all hell broke loose and everyone went down hill, but it was still fun. Weather was nice, so it made for a nice day. There were 15 shooters and one posse.

Thanks to everyone who helped set up and take down, and for the ones who hauled the trailers, as it sure was helpful.

Remember next month is the Turkey Shoot, and that we will be starting daylight saving time, so the shooters meeting will be at 10:00. I hope to see everyone there. Kate will be bringing some Pumpkin pie to eat after the shoot. Hope everyone stays around to have some (Yes whip cream too!!). Oh yes, there will be 10 Turkeys given out for the highest scores and 5 pies for the 5 lowest scores, so come on out and have some fun.

Keep your powder dry, hope to see you there.. Sam

## **BUFFALO SHOOT**

The weather was so nice that a few arrived Wednesday night at dark thirty. We met for breakfast Thursday morning and then went up. What perfect weather for this shoot. After everyone one arrived, the work party got into gear and started setting up Buffalo and the shooting positions, etc.

We had great potluck dinners, Thursday night, Friday night and Saturday night; wow stuffed ourselves with lots of food. We had a great campfire every night as there was not much wind.

I would really like to thank everyone for helping and showing up.

We did a black powder single shot match, which was \$10.00 to enter, and half of the profits went to the club and the other half went to the winner. (*Editors note: Sam beat out Dude by 1/16 of an inch to win the side match.*)

Sutro Gringer brought a 1917 .30 caliber Browning water cooled machine gun for us to pose with in our Spanish gear. Some sure looked right at home. Not to mention any one's names, like OK and TJ. It was just for fun. As a note, Sutro Gringo said that in 1917 the last stagecoach robbery in the US took place at Jarbridge, NV. This is documented.

I would like to thanks everyone for all their hard work. We couldn't do it without all the friends helping each other.

Check the web site (<http://northernnevadacas.com/sss/index.htm>) for the scores and pictures of the shoot.

Our 2011 winners for Top Gun awards were Daisy for Petticoat, Mark Tyme for Repeater and Traditional, want to congratulate them both. This award is given for the highest combined score of the year, which includes May and October's buffalo shoot.

Hope to see everyone at the 2012 May Buffalo Shoot, keep your powder dry. . . .Sam

From the Secretary:

Well, we had some changes to our Board of Directors this month. Treasurer Washoe Zephyer and Director-At-Large Reese River Ruby resigned from the club. In September, TJ Chuckwagon had to leave the Board (but stayed as a member of the club) do to health reasons. That means that we had three Board positions open. After some jockeying around, it was decided that I would take over the Treasurer's position and Annie Gunsinger would take over the Secretary's duties. Our newest member, Lonesome Luke consented to fill one of the Director-At-Large positions.

That leave us with only one Director-At-Large position to fill. Now don't all of you come beating down our door to get this prestigious position but we do need this position filled. The only real duty of the Director-At-Large is to attend the monthly Board business meetings. The meetings are held on the second Tuesday of each month at 7:30 pm. If your interested, please let one of the Board members know.
