Next Monthly Shoot July 17th at 9:30 a.m.

JUNE POSSE

From our President:

Greetings to all

Last Sunday was just about perfect for a shoot. We had ten shooters come out and some interesting stages. Many thanks to Sam for filling in for Smithy. Two shooters cleaned the match, Longarm and North Lake. It was good to see North Lake back, we hadn't seen him since September. He went south for the winter and just got back so, we welcome him back.

We have a meeting scheduled for the 12th of July in the fire hall on Stewart

Street. We will be discussing tires for the table trailer and outhouse and anything else that comes up. Nominations for the coming year will be accepted so if you want to get more involved or know someone who wants to be contact me before the meeting. wilbann@yahoo.com or 775-586-9178.

It seems like every month or so I am talking about the loss of another member or former member. This month Mark Tyme AKA Don Lovelace passed away. Mark joined us in 2000 and was shooting the long range up to May of 2015. Mark was 94 and still could beat most of us on the long range. I lost count of how many times he won that event or came in a close second. He also used to shoot the monthly match and cleaned it many times. Mark always had a smile and was having a good time just like the rest of us. His son Jeff and his daughter in law came out Sunday and we did a 21 gun salute for him. Jeff told me he passed away in his sleep, just like mark, low key all the way. All of us who knew him will miss his smile and congeniality.

July will probably be a little on the toasty side so make sure to bring water and lighter clothing.

Lastly I would like to thank all who helped set up and tear down. We are lucky in that we have so many willing to help out. It makes it a lot easier if when we drive up there are people there to help us.

That's it for now. Hope to see you in July.
