From our President;

Greetings to all from the high lonesome and Happy Spring.

Spring has sprung as the calendar says. Doesn't mean much up here. Several houses are still buried but the snow level has gone down quite a bit so that's some help. We probably have 20 feet or so left after having at least 30 or more feet at the end of Feb.

Now for some good news. The March shoot was great!!! We had seventeen shooters and five stages and the wind was light and the sun showed up. Wow!! Couldn't ask for anything better. We had a new shooter, Dewey Boggs brought his grandson out for his first shoot. I say his first shoot but it was evident that he had been doing some practice as he did rather well. Dewey is a long time member of the club and even though we don't see him too often anymore he still supports the club. As always I was impressed by the way you all received and helped a new shooter out showing him the ropes. This club was built on being friendly an

making a new shooter feel like one of the group and in the twenty years I have been involved that has never changed and while I'm around it never will.

The next meeting of the club will be on Tuesday April 11 at the fire station on Stewart St Carson City at 7pm. Please try to attend if you can. We will be discussing Smithy's Revenge which is going to be at the May shoot. We will also be looking at when we move the trailers to their new home, hopefully on May 1. Also, since Carson Kate passed away there is a opening on the board for a board member. If anyone is interested in filling this position please let me know. My phone number is 775-586-9178. All positions on the board are important because decisions effecting the club are made at these meetings. There are only five meetings a year so it's not like you have to set aside a night once a month.

There will be a celebration of life for Carson Kate aka Barbara Wardwell on Saturday April 29 starting at 11am at her home at 4 Park Dr. Moundhouse. Food will be provided and cowboy attire is encouraged. There is a map along with this newsletter with directions. Hope to see many of you there.

That's all for now.
