Stillwater Vigilance

at Stillwater Firearms Association

As some have heard, there is a new informal cowboy shooting venue in Fallon.

Thanks to the efforts of Derringer Dan, Jeremiah Jonathan, Sheriff Winchester, Moseby, and the use of Washoe Zephyr's trailer, steel was brought out of CA. We have, new to us, timers and Kindles, courtesy of Two Timer.

Thanks to the generosity of the Stillwater Firearms Association, we have a new home. The first match will be Saturday, Nov 28th, with the intent to continue on succeeding fourth Saturdays thereafter. Standard rules apply, with results posted on Practiscore. For our first match, set up time will be 9AM, with safety meeting thereafter. 3245 Indian Lakes Rd., Fallon.

As is standard in the cowboy community, the first match for each of you is gratis. In the future, match fees will be standard $20, members of SFA will reduce their match fees by $5. You may join SFA, at Stillwaterfirearms.org, $40 annually. There are many other fun shooting disciplines available at the Fallon range, Steel Challenge, Bowling Pins, ICORE, USPSA, Steel Plates, 22 Rimfire and more.
